- Breakfast, coffee, and posters will be in the historic Riggs Library in Healy Hall. Riggs is accessible by the stairs and elevator on the south (left) side of Healy Hall.
- Talks will be in Healy 103, a classroom directly below Riggs. Healy 103 is on the south side of Healy hall (to the left if you enter from the front of the building)
- Please, do not attempt to climb in the library stacks!

- Lunch is on your own, and there are plenty of good places to eat within walking distance in Georgetown.
